

## Midwest Puppy, LLC

**Reservation deposit** is a \$300.00 non-refundable deposit that will be transferred to your **full deposit** when you choose a live puppy.

**Full deposit** price is a \$500.00 non-refundable amount due when **live** puppy is chosen from the litter. At that point, your puppy will be marked as yours. You will receive weekly pictures and/or videos of your puppy's growth and development.

By placing a **Reservation Deposit** you can secure a selection position for the upcoming litter. In the event you are unable to accept a puppy from a future litter because of timing or other unforeseen events in life, or if the selected litter does not produce enough puppies to select from, then you are able to move the deposit and apply it to another available puppy from a future upcoming litter. If you have not selected a puppy from a litter within 12 months, we expect that you have had life changing events that eliminate your desire for a puppy and your deposit will be forfeited.

Reservation deposits are not mandatory; they are simply a way to reserve a puppy for purchase. No puppy is considered sold until a deposit has been made or payment is made in full. To reserve a puppy we require a \$500 non-refundable deposit that will be deducted from the total sales amount. We will not hold a puppy until a deposit agreement has been signed by both parties and a deposit has been received.

Deposits are non-refundable but are transferable. If you do not find a puppy to your liking in the litter or if we do not have the color or gender you desire, you may transfer the deposit to a future litter. All puppy selections must be made by the time the puppies are 6 weeks of age. We want you to be completely in love with your new family member so there is no limit to the amount of times you may transfer.

By placing a deposit by personal check, credit card, PayPal or cash, you accept and understand the Deposit terms in its entirety. Your receipt in the form of a cancelled check, credit card receipt, PayPal receipt or cash receipt will serve as the binding contract regarding the terms of the deposit.

**Reservation Deposit** Amount \$ 300.00. Balance of **full deposit** (\$200.00) is due at the time of picking the puppy (approximately 1-2 weeks old). You will have 48 hours from the time we contact you to pick your puppy or we will move to the next family in line. Once a puppy has been picked, a new deposit contract will be filled out with specific dates and parents, purchase price and puppy information finalized.
